Highlights

- **Tech Cafe** - check out ALL the amazing things our kids are doing with technology!
- **Activities Fair in the Main Campus gymnasium** - highlighting all extra-curricular activities and clubs.
- **Student Guided Tours** - both campuses will be open. Let a SFX student take you through the halls and share their personal experiences with you.
- **Delicious doughnuts!** Who can pass up the donuts?!

Whether you’re beginning your search for a school or just simply stopping by to say hello – we are excited to see you!
