

Parish Counselor through Claret Center's Counseling Program

My name is Georgina Lopez, and as your new Parish Counselor Intern through the Claret Center. I look forward to assisting the mental well-being of St. Francis Xavier parishioners. I am pursuing my Master's Degree in Clinical Psychology, Counseling Practice at Roosevelt University. I have obtained clinical, volunteer, and work-related experiences that have prepared me to work with a diverse population. I have had the opportunity to volunteer in different parishes and work with adolescents, adults, and youth groups as well. I have gained some experience from prior internships working with individuals with symptoms of Anxiety Disorders, Depression and Substance Abuse. My approach to counseling is to meet the person where they are at and using the approach tailored to their particular issues. I believe that we can cope with what life brings to us and, most importantly, continue to grow from each circumstance and shift to a more fulfilling life. I look forward to accompanying you on your journey. I am bilingual in English and Spanish. I can be reached at 323-487-2359 or glopez.claret@gmail.com
