Dear St. Francis Xavier Parish Community,

We welcome you to Sunday Mass at St. Francis Xavier. A pre-recorded Sunday Mass will continue to be posted on the parish website (www.sfxlg.org), and on Facebook and Instagram. We encourage you to worship with others at the time you usually attend Mass on weekends. In addition to this link, we are providing words to the hymns being sung. Be daring and join the virtual choir that will be singing with you throughout the LaGrange area. Let us hold one another in communion.

And please send your feedback to wtkachuk@sfxlg.org. Your feedback will help us make adjustments in the weeks to come.

Peace,
Fr. Bill Tkachuk

Pastor's Notes

For a little while you may need to suffer through various trials, so that the genuineness of your faith, more precious than gold tested by fire, may prove to be for praise, glory, and honor at the revelation of Jesus Christ. Even though you do not see him, you rejoice with an indescribable and glorious joy.

1 Peter 1

Peter speaks to us this day! Our most profound witness to our faith in the Risen Christ comes in *this* moment, when a pandemic keeps us behind closed doors and face masks to protect one another from the spread of a virus for which we do not yet have a vaccine. Are we seen engaging in acts of emotional and spiritual compassion and communion, even while a pandemic requires us to practice compassionate physical separation from those beyond our household and keeps us from sharing Eucharist? Are we seen as instruments of God's Divine Mercy in simple acts of kindness, in efforts to forgive and be reconciled with one another, and in outreach to the poor, the lonely, those risking their own health to care for the sick, and all for whom "shelter in place" is especially difficult?

This is when others will know what we believe through what we say and do. Is there a neighbor who could use a phone call, a note or card left at the front door, a song sung from the sidewalk, or some simple errand they cannot do for themselves? Is there a relative living alone or in a care facility under quarantine who might welcome the same? Are you able to provide for the needs of the

parish Food Pantry, BEDS, or another community outreach in our area or the city of Chicago supporting those in need? Even our children are providing great witness to the Risen Christ through chalk pavement drawings and joyful sounds from the yard. How are we seen rejoicing, not with false hope, but with genuine hope in Jesus, who breathes Peace upon us and who promises to be with us in each moment in this life and forever in the life to come.

This Thursday and Friday was supposed to be the celebration of Confirmation for over 160 of our parish high school youth. I invite you to say a prayer for them as this completion of their initiation as Catholic Christians has been postponed. Pray also for the engaged couples, families with children to be baptized, and all who must postpone special moments in their lives. We do not yet know when. But there will be a day when the restrictions will be lifted and another day when a vaccine will allow us to return to full normal. Till those days, we are called to be a people of hope and joy.

Thank you, the family of St. Francis Xavier Parish, for your generous financial support of the parish through your regular Sunday contributions and your special Easter contribution. May God bless you all for the blessings you make possible throughout the year and especially in this time of compassionate separation. Peace be with you all.

Easter Blessings,

F. Bill

Reflection for the 2nd Sunday of Easter

Liturgy Planning Team #1

Marge Branecki, Jude Dumfeh, Maureen Lang,
Ed & Michelle Mirecki, and Lisa Young

We've each been there: "I'll believe it when I SEE it!" We can understand Thomas's skepticism. We want hard, fast, concrete evidence that we can see. This is true of the things around us in the world, but it is also sometimes true of our faith. Is what we believe "real"? Is what we believe "true"? Don't we often find ourselves saying what the father in Mark's gospel cries out, "Lord, I believe; help my unbelief." Jesus tells us today, "do not be unbelieving, but believe." He tells us "Blessed are those who have not seen and have believed." And so we are faced with the challenge to believe in what we have not seen. But is it true that we have *not* seen? Have you seen the indescribable beauty of nature? Have you felt the surrounding love of family and friends? Have you witnessed the wisdom of parents, priests, counsellors, friends, or others ministering in God's name? We've each been there. We've each seen and witnessed God's presence. And so, we can each join Thomas in saying, "My Lord and my God."

Blessing for Physicians and Healthcare Workers

May you always heal and be healed.
May those who come to you find in you
one who cares deeply
Whose knowledge includes knowledge
of the spirit's movements.

May you take pride in your gifts and
use them humbly.
May the suffering and the vulnerable
be your teachers.
May you see in others the goodness of a tender God.

May compassion encircle you carry you
Strengthen you and give you insight.

May your presence be hope to those in pain.
May your skill ease the way and instill trust.

May you know the Healer of all.
May your own heart be held in the
compassion and tenderness of God.

Amen.

*May the Wellspring of Compassion
be opened in you.*

May soothing words find a home in you.

*May Tenderness bless you
as you reach out to Comfort
in body, mind and spirit.*

*In the midst of fear or frustration
may Courage be given you.*

*May Patience keep vigil with you and
Peace of Mind calm you.*

*May your heart find a song to sing
even when you are weary.*

*May Abundant Love lift you and
Gratitude bless you as you
live the mission of Care entrusted to you.*

Ringing of the Church Bells

Because some churches do not have bells, we ask parishioners to set their alarms so that they can stop for a moment to join in this common prayer.

Beginning Saturday, March 21, the prayers and intentions for each hour of prayer are below:

9:00 a.m. - Prayer for those infected with the virus and all who are ill.

Lord, place your healing hand on those who suffer illness. Bring them to full health and ease their anxious hearts. May our prayer and the intercession of the Blessed Virgin Mary encourage them that they are not alone. We ask this in Jesus' Name. Amen.

12:00 p.m. - Prayer for health care workers and those attending to the sick.

Lord, we are ennobled by those who put their lives at risk in caring for the sick. Keep them safe and embolden them when they are weary. We ask this in Jesus' Name. Amen.

3:00 p.m. - Prayer for first responders and essential workers.

Lord, we pray for those who run to danger to keep us safe and those who serve the common good. Embrace them with your mantle of protection and comfort the fears of their families. We ask this in Jesus' Name. Amen.

6:00 p.m. - Prayer for people of every nation and their leaders.

Lord, the pandemic opens our eyes to see each other as brothers and sisters in one human family. We pray for people of every nation and their leaders, asking that they be inspired to seek the good of all and quell the voices of division. We ask this in Jesus' Name. Amen.

9:00 p.m. - Prayer for those who have died today.

Lord, we grieve the passing of our sisters and brothers who have died this day. We commend them to your tender mercy, confident that nothing, not even death, will separate us from your love. We ask this in Jesus' Name. Amen.

Sharing The Light

Leave a light/candle shining in your front window each night:

- for those who are traveling to get home safely;
- for those who are ill, to recover;
- for those who are lonely, to see friendship;
- for those in fear, to see a sign of comfort;
- for researchers, caregivers and all working night/day for our safety, to be strengthened by the warmth of gratitude

I will be putting a light in my window.

An Act of Spiritual Communion

My Jesus,
I believe that You are present
in the
Most Holy Sacrament.
I love You above all things,
and I desire to
receive You into my soul.

Since I cannot at this
moment receive You sacramentally,
come at least spiritually
into my heart.

I embrace You as if
You were already there
and unite myself wholly to You.
Never permit me to be
separated from You.

Amen.

My LORD and my GOD!

ANOINTING OF THE SICK

The Archdiocese has issued the following guidelines for celebration of the Anointing of the Sick until further notice.

“Under the State’s exemption for essential services, the Archdiocese of Chicago is including Anointing of the Sick as an essential service. However, **out of an abundance of caution only a select number of priests will be allowed to administer this sacrament to any confirmed COVID-19 patients until further notice.** When a request is made for a priest to administer this sacrament, the priest must inquire if the ill person is a confirmed COVID-19 patient.

- **If no**, the priest may proceed under the following guidelines.
- The priest must maintain social distance with everyone present so as to offer comfort without making physical contact.
 - The priest must wash or sanitize his hands with soap and warm water both before entering the room and after leaving.
 - The anointing must be done with a cotton-tipped swab or a cotton ball which will be burned or buried after use.
 - Bleach wipes or soap and water will be used to sanitize all supplies both before and after the anointing.
 - If the sacrament is celebrated in a health care facility, the priest must follow the protocols and protective guidelines of that facility.
- **If yes**, the family must be notified that, due to guidelines set forth by the archdiocese to ensure everyone’s health, another priest must take the call and that the family will be contacted by that priest. Explain to the family members that out of an abundance of caution **only a select number of our priests are allowed to administer this sacrament to any confirmed COVID-19 patients until further notice.** (4 priests will be designated priests in each Vicariate who are under age 60 and in good health). These priests will follow special precautions established by the Archdiocese.”

CHRISTIAN BURIALS

The Archdiocese has issued the following guidelines for funeral services and burials until further notice.

“Burials at Catholic Cemeteries may continue and are not suspended at this time; however, attendance limit and social distancing requirements apply per below. Please note that our churches are still closed; therefore, funeral Masses are not possible.

However, if a family requests a funeral, there are two options:

1. A funeral service, not a Mass, may take place at the funeral home
 - a. the limit for attendees remains 10 people at this time (inclusive of the funeral director, priest, mourners, etc.)
 - b. All attendees must practice social distancing
2. A funeral service may take place graveside at the cemetery before committal/burial.
 - a. the limit for attendees remains 10 people at this time (inclusive of the funeral director, priest, mourners, etc.)
 - b. All attendees must practice social distancing”

Please note that the family can plan to celebrate a Funeral Mass at the church once restrictions have been lifted, even when the burial already has occurred.

RECONCILIATION WHILE CHURCHES ARE CLOSED

The Archdiocese has provided the following information regarding celebrations of the Sacrament of Reconciliation while churches are closed.

“Individual confessions are currently not possible; this includes virtual or phone confessions, which are never permissible, nor drive-thru confessions. Despite the good intentions around such novelty, we must attend to our underlying theological tradition of the sacrament, as well as support the stay-at-home order and its intended purpose – to keep people safe in their homes at this time. In keeping with longstanding pastoral practice when penitents’ access to the sacrament is restricted, they can be assured that their sins are forgiven if they make an act of contrition with a firm resolve to approach the Sacrament of Reconciliation after the stay-at-home order is lifted. The faithful should be encouraged to pray particular prayers or meditate on passages of the bible ... to assist them in seeking the mercy and forgiveness of God and the grace of reconciliation.”

I suggest the parables in Chapter 15 of Luke’s gospel.

Sew...We Need Your Help!

If you can sew, we need your help! Disposable face masks are in short supply and fabric masks can help our healthcare workers and senior citizens. There are many designs online but simple is best. The instructions below for a simple mask can be adapted depending on what you have available. Tightly woven cotton fabric is best. If you don't have flannel for the lining, use two layers of cotton fabric. If you don't have elastic, use bias tape or fabric to edge the short end of the mask and make 10-12" ties on each corner.

A collection box has been placed in the vestibule of the Oak Lawn Village Hall by the police desk on the west side of the building. The address of the Village Hall is:
9446 Raymond Avenue
Oak Lawn, IL 60453

Please put your completed masks in a plastic bag and drop them in the box. They will be distributed as needed to local health care providers, nursing homes, etc.

For any questions please email community.mask.initiative@gmail.com
Dig into your fabric stash and be creative! Happy sewing!

Since many stores will be mandatory closed, fabric can be purchased at Walmart, Amazon or mail order from Joann Fabrics.

How to make a Face Mask

Materials Needed:

Fabric 1 - Cotton Fabric

Fabric 2 - Cotton or Flannel for the backing

1/8" Flat elastic (If you don't have elastic, use bias tape or fabric to edge the short end of the mask and make 10-12" ties on each corner.)

1. Put right sides of cotton fabric together.
2. Cut 9" x 6"
3. Starting along one of the 9" sides from about 3 inches from the corner, begin sewing the bottom edge, sew to the first corner, stop. Place the elastic into the corner and sew back and forth a couple of times to make sure it is secure.
4. Continue sewing along the 6" side and stop before the corner. Bring the other end of that same elastic to the corner and sew back and forth a couple of times.
5. Next sew across the top of the mask to the next corner. Again put the elastic in the corner and sew back and forth.
6. Continue sewing to the next corner and place the elastic into the corner and sew back and forth.
7. Sew across the bottom leaving about 1.5" to 2" open. Stop, cut the thread. Turn in-side out.
8. Pin 3 tucks on each side of the mask. Make sure the tucks are the same direction.
9. Sew around the edge of the mask twice.

Be sure the fabric design is place horizontally.
