## Pastor's Notes

*When you've done everything expected of you,  
be matter-of-fact and say, "The work is done.  
What we were told to do, we did."  
Luke 17:10*

October has been chosen to raise awareness of several issues that apply to us as disciples in mission. We easily might feel overwhelmed; yet Jesus promises the gifts of the Spirit to allow us to do all we are asked to do. We cannot do everything. Jesus asks us to focus on the tasks God sets before us at this moment, as individuals and as a faith community, and to respond to the best of our God-given abilities.

**Dignity of the Unborn.** How do we advocate for the lives of the unborn without judging or condemning those who choose to end a pregnancy? Catholic morality teaches that directly terminating a life in the womb is never permitted. Yet many of us know of complex situations in which this morally correct teaching is pastorally inadequate. Can we develop an attitude among youth and young adults that reserves consideration of abortion to exceptional circumstances, and only then through a prayerful decision of conscience? Will we create loving and supportive environments and support facilities in which those facing difficult pregnancies will receive what they need in order to choose life?

**Protection of the Immigrant.** This is deeper than fixing our fractured immigration system or responding to those living in our country without proper documentation. This is an issue of treating each immigrant, with or without documents, and especially family groups and children, with the dignity and respect that every child of God deserves. We are challenged to step beneath the politics that keep our country and our leaders divided, even as we challenge them to talk to one another toward a just solution. Becoming members of God's family makes us members of a world community in which each person deserves to be treated with dignity and respect.

**Domestic Violence Outreach.** Purple ribbons encourage us to become more aware of the signs and the presence of domestic violence within our families, within our neighborhood, and within our community. Do we know the signs that indicate that someone within a household is being abused: physically, verbally, or emotionally? Are we aware of the resources available to help a family member or friend who is ready to act and step away from an abusive relationship or environment?

**Inclusion Awareness.** St. Francis Xavier has done much in recent decades to make our facilities accessible to all, regardless of physical or other disability. What barriers continue to keep individuals out? What more is there for us to do?

**Reducing Gun Violence.** How do we advocate for reasonable limits on access to weapons or the weapons themselves? How can we make our communities safer for children and youth, especially in more impoverished areas of the greater Chicago area?

Groups in the parish or the area are focused on all the above. If one of these areas interest you, contact the parish office for more information.

**October Count.** On the four Sundays of October, all Archdiocesan parishes count the number of people at each weekend Mass. This helps the Archdiocese better understand current trends and plan moving forward. Please make the effort to join us for weekend worship and proclaim one measure of who we are as St. Francis Xavier Parish.

Peace,

*J. Bill*

## Christifideles Award 2019

The Parish Pastoral Council recommended David Sherman to receive the 2019 Archdiocesan Christifideles Award. David and his late wife Rosemary raised their family in the parish and have been active parishioners throughout the years. David has been involved in parish liturgy as lector, communion minister, "lighting coordinator" and liturgy planner. He also has provided leadership as a member of the parish Liturgy Board and in training ministers of communion. He was an active member of a parish acting troupe that used to present plays for the parish; he has continued this ministry with the plays and talent shows of the parish elementary school, maintaining connections with school alumni. He also has served at the area and Archdiocesan levels.

**Congratulations, David,** and thank you for your generous stewardship!

## Come for Eucharistic Adoration October 17 at 6:00-7:00pm

**WHAT:** As Catholics, we proclaim the Real Presence of Christ in the Blessed Sacrament, not only during the Mass but in the preserved Hosts. "Jesus remains in the Blessed Sacrament to give us the privilege of approaching him personally as so many people were able to do two-thousand years ago in Galilee and Judea." (Fr. F. Racine). During Eucharistic Adoration, the Blessed Sacrament is exposed on the altar for individual, silent adoration.

**HOW:** Adorers are invited to meditate on Scripture or read devotional books, pray the rosary or another devotion. You may also choose to just simply sit and 'be' with Jesus. If you are interested, prayer, and reflection suggestions are available as starting points.

**WHO:** Jesus waits for us, each one of us, in the Eucharist. He waits when you are joyful, thankful, frustrated, or tired. All are welcome, including children. He specifically calls children to Himself, "Let the children come to me."

**WHY:** Since Apostolic times, Catholics rightly have gathered to celebrate Mass in community as Jesus instructed. Adoration provides an opportunity for an intimate relationship with Jesus through individual worship, prayer, and listening. Adoration is the "face-to-face that leads to the "heart-to-heart" with Jesus.

**WHEN:** The next Eucharistic Adoration will be Thursday, October 17, 2019. The Blessed Sacrament will be exposed from 6:00pm-7:00pm. Come when you are able for as long as your schedule allows. Questions? Please contact Katie Kanzer @ k.f.kanzer@gmail.com.

"Do you realize that Jesus is there in the tabernacles  
expressly for you, for you alone?  
He burns with desire to come into your heart."

**October 6  
Domestic Violence Outreach  
St. Francis Xavier, St. Cletus and  
St. John of the Cross**

**When we talk about domestic violence,  
just who and what are we discussing?**

It is easy to put that “other” person over there, to feel sorry for her/him, to shun the abuser, to “tsk, tsk, tsk” about how it never used to be like this, to say “there but for the grace of God...”, to stereotypically link her/him to poverty, drugs, under-education, or certain racial or ethnic groups.

Was she just a poor judge of men? Didn't she have any backbone? How could she let her children see that going on? Why didn't her family help her? Why didn't she just leave?

Unfortunately, interpersonal and intimate partner violence isn't so simple. During October, Domestic Violence month, this space will share with you some situations and some of the many faces of violence, so you can see for yourself how complicated it can be. As you read, please pay attention to the people as you picture them in your mind, to their appearance, their ethnicity - if you notice, to their general demeanor.

**MYTH:** Domestic Violence is bad, but it happens elsewhere. It doesn't happen in my community, my neighborhood, my culture, my religion, or my congregation.

**FACT:** Domestic Violence happens to people of every educational and socio-economic level. Domestic violence happens in all races, religions and age groups. Domestic Violence happens in both heterosexual and same-sex relationships.

You are not alone!

In an emergency, dial 911 or call the National Domestic Violence 24-Hour Hotline at 800-799-7233.

The deadline for the Fall collection is Friday, October 18th.

**Going forward, instead of clipping from packages,  
all Box Tops will be earned digitally by scanning your receipt!**

**Be sure to download the new app from the Apple App Store or Google Play.**

If you still have traditional Box Tops clips at home, make sure to send them to school. We will still earn cash for all clipped Box Tops until they expire. Better yet, we can "double dip" during the packaging transition by clipping traditional Box Tops AND scanning your store receipt containing participating products.

Box Tops has been an impactful source of income for school resources. Thank you for your participation!

## **We all shop! But did you know your normal purchases could be helping SFX and earn tuition credit for a SFX school family?**

The SFX Scrip program allows you to buy gift cards, either plastic or electronic, for hundreds of vendors for all types of goods and services. Making money for SFX is as simple as 1-2-3.

- 1) Buy a gift card for whatever you need
- 2) Use the gift card to buy stuff
- 3) Reap the rewards

*It is that simple!*

The vendors offer the cards at a discount, and SFX gets the difference as profit. Your family has the option of getting 40% of the profit back as a tuition credit, or you can choose to send your credit to another family or return it to the school.

You can buy gift cards for just about anything that you need to buy. There's more to the program than grocery gift cards. You can replenish your Starbucks Card, drop off a sunshine gift, start stockpiling gift cards for the holidays...the possibilities are endless!

## Bringing Children To Church

Few things are more important than bringing children to church for our Eucharistic celebration. God bless all of you who do this. It is the best way for them to learn and experience our gathering as a community, our prayer of thanksgiving and our being sent to do God's work in the world. It certainly brings joy to our lives when you bring your children with you.

Of course, we understand if you have to take your child out into the vestibule for any reason. Sometimes they get anxious and just need to get up and move around and that's just fine. The Eucharist is a profoundly sophisticated ritual which takes time and patience to assimilate and integrate into our lives. Look at how it has deepened over time in our own lives as adults!

The fact that you parents are able to get everybody up and moving in the same direction at the same time astounds us and we are sure that it pleases God! Keep coming back!

## STEWARDSHIP OF TREASURE

### Your Parish Finance Report

Thanks for your patience while we finalized our budget for this fiscal year! Here's where we stand:

For Last Fiscal Year (ended June 30, 2019):

Total Collections were \$1,842,411, an increase of about \$19,000 (1%) from the previous fiscal year (ending June 30, 2018).

Last year, our parish had an operating loss of \$22,163. This loss was a result of capital improvement expenses associated with the return of our early childhood program from the space we rented from First Baptist Church (resulting in long-term saving), as well as higher than anticipated plumbing maintenance and snow removal expenses.

Our annual report will come out at the end of October with more details.

For the Current Fiscal Year (ending June 30, 2020):

**Our budget has been approved.** Annual collections budget has been set at \$1,876,000 (about 2% increase from last year's actual collections). The collections budget was set to break even with expenses. It is lower than budgets set in the past few years due to savings from the return of our Early Childhood students to our Education Building and lower priest expenses for the first six months of the fiscal year.

In preparing this year's budget, we have looked very closely at expenses and have managed them as tightly as possible without impacting our ability to fund vital ministries in our parish. This includes deferring the hiring of a pastoral associate to January 1. If our collections continue to fall short of budgeted goals, we will need to reassess each ministry and consider reductions in funding, which could limit our capacity to provide the experiences and opportunities which we as a parish desire and expect.

First quarter results (ending September 30, 2019):

Sunday Offertory	EFT/Credit Card	+	Basket	+	Other Offertory*	=	September Total
September 2019	\$ 62,463		\$ 61,433		\$ 2,293		\$ 126,190
September 2018	\$ 60,457		\$ 57,048		\$ 2,475		\$ 119,979

\* Includes donations from stock, donor-advised funds, Holy Day contributions, and other miscellaneous gifts

As noted in the chart, our offertory is below last year's and our target. Please review your situation and increase your contribution if you are able. *God Bless You all for supporting the MANY ministries here at St. Francis Xavier Parish!*

### Great Insights for the Current/Future Job Market

Mark your calendars now for Thursday, October 17 from 7:00-9:00 pm. Learn how and why your job requires finding a fit between your skills, experience, education and employer's requirements. Job-hunting research is a key element of a successful search. Developing focused conclusions from a flood of data appears to be needed now more than ever. Our speaker, Tom Kacena, will outline job management techniques he has followed in his own career as an aerospace engineer in the Air Force and after in the private sector as well as in mentoring junior engineers. Join us at St. John of the Cross Parish Center, 5005 South Wolf Road in Western Springs. We look forward to welcoming you.

### Volunteers Needed

If you have an interest in supporting job seekers in our community, we'd love to hear from you! Even with the improved job market there are continuing layoffs, and many seeking a better opportunity. We are staffed by volunteers and are seeking new members to join our ICN team. Anyone interested in supporting others during their search would be welcome. We are in need of volunteers for marketing efforts (including social media, website support, etc.) as well as anyone who could assist with job coaching advice or networking help. A business or HR professional for one-on-one coaching would be a great addition! If you have a warm smile but no related job search experience, we need you as well for greeters at our monthly meetings and quarterly resume reviews. This September is our 11th Anniversary of helping others help themselves. You, too can help make a difference! ## **An Invitation to Spiritual Direction**

**What is it?** Spiritual Direction is a way of appreciating and responding to your life's journey in the light of the Lord's life and love. As you grow physically, spiritually and emotionally, it is often helpful to talk with someone about how to integrate all of these experiences into a life of faith. A spiritual director is someone with experience and training who can be a companion or friend willing to listen and talk about your journey in all its joys and concerns.

**Who goes?** Perhaps you are experiencing a real spiritual hunger and want to explore ways of filling it. You may be asking yourself: "How is God real for me now?" or, "How is my faith meaningful for me in this situation? These are areas that suggest a spiritual companion (director) would be helpful. Other areas that might be the focus of conversation with a spiritual director (companion) include: questions about religion; the need for expanding your image of God; successes or failures in trying to live a more loving life; bringing the Lord into important decisions in your life; exploring moral dilemmas.

**What happens?** You enter into a conversation and trusting relationship in which the director (companion) helps you notice and respond to the movement of God as experienced in prayer and in the events of everyday life. The director acts primarily as a listener, as a supportive person who can help you look honestly at your relationship with God as it is lived out in everyday life. You are always the gatekeeper in terms of what you bring to spiritual direction and how much of yourself you share and reveal. Spiritual direction is not a therapy session, but a prayerful conversation designed to help you become more aware of God's voice and to help you discover the best ways to respond to that voice.

**How to begin?** If you would like to respond to this invitation, you may call Mary Agnes Dwyer at 773-441-8151 so you can make an appointment. Your appointments can be scheduled at convenient intervals, monthly or every two or three weeks, whatever suites your needs at this time. Your meeting would be in a room in the rectory. Mary Agnes has training in spiritual direction and also has a Master of Theology Degree from the Catholic Theological Union. There is no fee.

As you begin spiritual direction or as some refer to this process, spiritual companionship, you may want to reflect on your own growth in prayer, where God fits into your joys and concerns of your life at this time, or whatever it is that you feel could help your relationship with God grow. "It is in God that we live, and move, and have our being."

## Annual Mass Supporting People with Mental Illnesses, Families, Friends, and Mental Healthcare Providers

Mental illnesses, such as depression, bi-polar disease, schizophrenia, anxiety disorders and others touch one in four families. Stigma, the misinformation about these illnesses, keeps people from seeking help, and stigma keeps people from helping. The Mass is for all affected and those who are interested in helping. This celebration is our petition to the Holy Spirit to give encouragement to those affected by mental illness to pursue paths of recovery and wellness and to inspire and motivate all others to be advocates and helpers to those in need of housing, jobs, and support to reach their life goals.

The Mass will start at 2:00 pm on October 26 at St. Gertrude Church, 1400 West Granville, Chicago (6200 North, four blocks west of Broadway at Granville and Glenwood.) Refreshments and conversation will follow Mass.
