

Dress Code

Parents are asked to make sure that their child(ren) are in uniform before leaving home. Students in grades 1- 8 wear school uniforms as described here. Preschool and kindergarten students do not wear school uniforms.

Students may not wear ripped, torn clothing or anything with questionable wording/ slogans. Level of 'acceptableness' is at the sole discretion of the administration. If a child is wearing something deemed unacceptable, the office will attempt to supply a gym uniform to change into, or the parent will be called and asked to bring in a change of clothing. Clothes should be clean, not torn, fit properly, and be modest and appropriate for school.

Homeroom teachers will ensure that students comply with the dress code each day. Consequences will be given for non-compliance. Repeated instances of uniform violation will be referred by the homeroom teacher to an administrator. If a student is not in compliance with the summer uniform, he/she may lose the privilege of wearing summer uniform.
