

# SFX Safe Snack List

Revised 10/20/22

**At St. Francis Xavier we want to make sure that every child feels safe and included. Therefore, we have created the Safe Snack List for our school. All snacks that are served during the school day must be from this list. This includes birthday treats for grades PS-4<sup>th</sup> \* For daily classroom snacks grades PS-2<sup>nd</sup>, only real fruit, real vegetable and real cheese is allowed.**

*It is important that you **read every label** when purchasing snacks from this list to be sure that items are peanut/tree nut free. **Labels often change** to reflect changes in production. This includes avoiding products with cross contamination warnings such as “may contain traces of peanuts/tree nuts” or “produced in a facility that also processes peanuts/tree nuts” or any similar statement. These ingredients could cause life-threatening reactions in some of our children.*

## **FRUITS/VEGETABLES**

- Fresh fruit
- Applesauce cups, squeeze packs, and assorted flavored applesauce
- SunMaid, Sunsweet, Ocean Spray, barefruit or Market Pantry dried fruits (*NOT trail mixes*)
- Enjoy Life Seed & Fruit Mix
- Fruit cups: peaches, pears, oranges, pineapple, fruit cocktail, fruit blends, etc
- Fresh vegetables
- Vegetable dips (*most okay but check labels*)

## **CHEESE/DAIRY**

- Yogurt in individual cups or tubes (*NO nut-based alternatives or flavors; some soy products are not safe – read labels*)
- String cheese, cottage cheese, or other cheeses
- Drinkable yogurt or smoothies

## **CRACKERS/CHIPS/SNACK ITEMS**
