

Shop for SFX Program: GENERAL INFORMATION AND POLICIES

What is Shop for SFX? This is an ongoing fundraiser supporting the education of the children of Saint Francis Xavier School. Participating families raise money for SFX and can receive a tuition credit without any out-of-pocket costs.

How does it work?

- SFX purchases gift cards from local and national vendors at a bulk discount rate through ShopWithScrip. Gift cards can be purchased by SFX families at face value (i.e. you pay \$25 for a \$25 gift card). The difference between the discounted price and face value is profit for SFX. Discount rates vary per vendor, from 1.0% to 25%.
 - There are several options:
 - Traditional plastic gift cards which are delivered back to you through school,
 - electronic gift cards/codes that are delivered to your designated email address immediately
 - or the ability to reload purchased cards with additional value.
 - Order dates for each school year are listed on the Calendar of Due Dates/Fill Dates, which is in this packet and available on the school website. Dates will also appear on the school calendar.
 - There are multiple ways to enroll; online, on the RaiseRight App or via a paper order
 - To enroll online or via the RaiseRight App;
 - Go to www.RaiseRight.com or download the RaiseRight App.
 - Click on Join a Program;
 - Enter our enrollment code: FB63LCDB5575L
 - Enter a user name, password and your account information. Fill in validation, click Register, and you can start earning money for SFX
 - If you wish to enroll with a paper order, simply return the completed order sheet and in conjunction with your first paper order, a participant code and password will be emailed to you. This code can then be used to access RaiseRight online or via the app for any subsequent orders.
 - There are 3 ways to order:
 - Complete a paper order and return it to school.
 - All paper orders must be received in the school office by 3 PM on the due date.
 - Online at www.RaiseRight.com
 - Via the App: RaiseRight by ShopWithScrip
 - All online and app orders that include physical cards must be completed by 3PM on the due date.
 - There are 3 ways to pay:
 - Send a check to school
 - All checks (made payable to "SFX") must be received in the school office by 3 PM on the due date.
 - Online via PrestoPay (ACH): \$0.15 per transaction fee
 - Online via Credit Card: 2.6% fee is added to your order total
 - Physical card orders are fulfilled as indicated on the schedule. Fulfilled orders can be sent home with oldest child at SFX (with parent permission) or held at the office or rectory for pick up.
 - St. Francis Xavier and the Shop for SFX program are not responsible for delay or unavailability of certificates from ShopWithScrip or participating vendors. Every attempt will be made to fill orders as scheduled. In the very rare event that a certificate is not available, a backorder will be placed or a credit issued and the participant will be notified.
 - Certificates are just like cash. Therefore, SFX cannot accept responsibility for lost, stolen or misplaced certificates.
 - **Shop for SFX Gift Certificates** are also available, which can be used to purchase any card through our program. These make great gifts for teachers or staff.

Tuition Credits/School Profit

- Each family may designate who will receive the credit for their orders: 1) their own family, 2) another SFX school family, or 3) SFX school. This designation will remain the same in subsequent years unless you notify the Coordinators in writing.
 - When registering online, please indicate your designation in the 'Student Field'.
- Forty percent of the amount earned is credited per your designation, 60% is credited to the SFX general school fund.
- Tuition credits are given in July and will be applied against tuition due. The July credit will be applied to the upcoming August tuition payment. (Graduating families will be contacted by our accountant.) Credits must be over \$5 at the time of calculation to be applied against tuition.

Earnings Possibilities

- If every family at SFX bought just \$200 of groceries with gift cards every month, that would earn nearly \$24,000 annually in rebates.
- An individual family who committed to buying all their groceries with gift cards year round would earn \$500 for SFX in a year.
- If every family went out to eat once a month using gift cards that would earn nearly \$17,500 annually in rebates. Restaurant rebates tend to be very high!
