

# Video Appointments: Parents - How to attend appointments over video call

This article tells you what to do when your school has informed you that your appointments with teachers will be held via video call.

**Requirements:** In order to make video calls you need to have *as a minimum*:

- a device with a microphone and speaker and a compatible web browser

**We recommend:**

- Using your smartphone for video appointments. If you don't have a smartphone with a front-facing camera, use a laptop or computer with a webcam.
- Using a headset (or earphones with a microphone) to reduce echo.
- Please use one of the following compatible web browsers:

**iPhone/iPad:** Safari

**Android:** Chrome or Firefox

**Windows:** Chrome, Firefox or Edge (latest version)

**Mac:** Safari, Chrome or Firefox

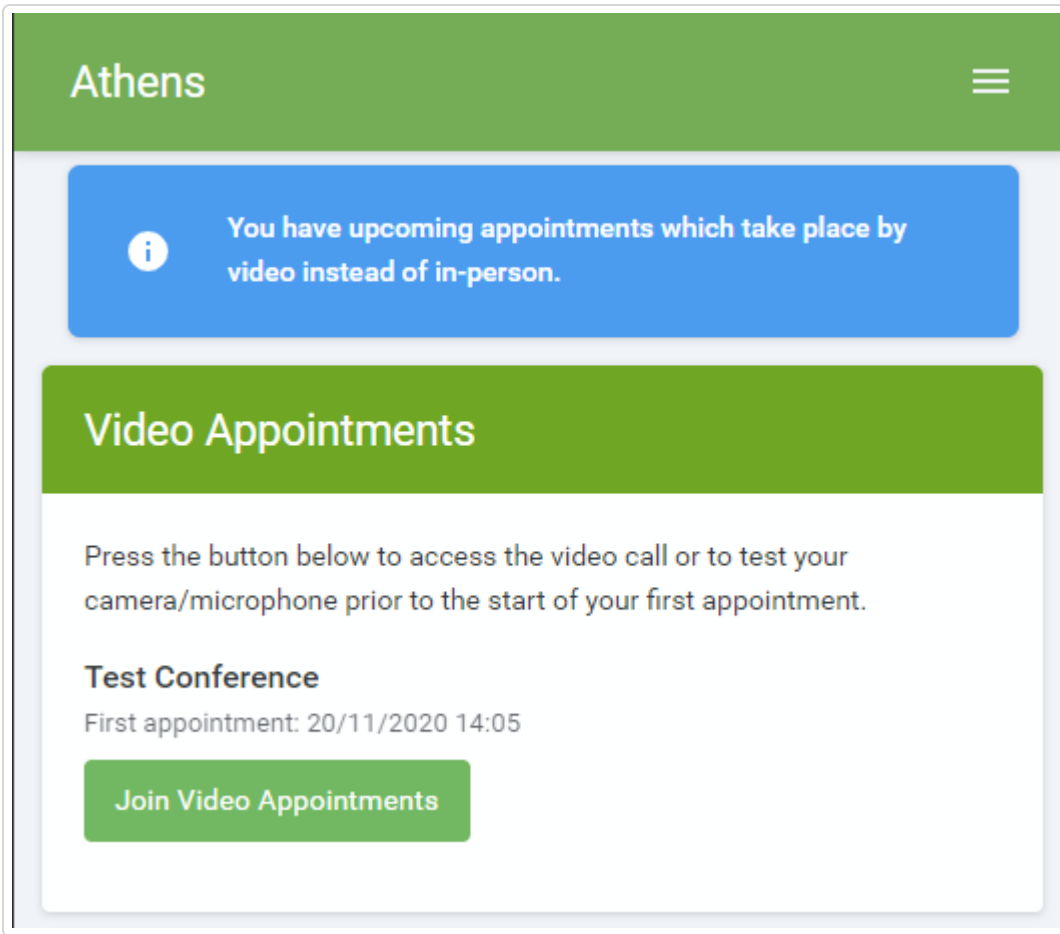

## How to attend your appointments via video call

### 1. Log in and go to the Conference

On the day of the video appointments (or before, if you want to test your camera and microphone) login to Meet The Teacher at the usual web address for your school, or click the login link from the bottom of the email confirmation you will have received.

Once logged in you will see a notice that you have upcoming video appointments and under this the details of the event, along with a *Join Video Appointments* button.

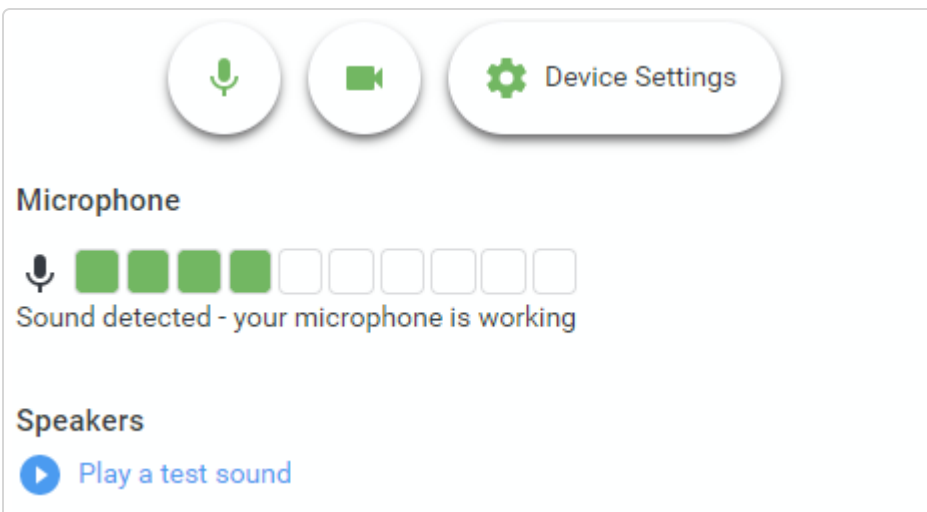

Press the button to join your appointment on the day - or to test your camera/microphone at any time.

## 2. The Video Call screen

When you click *Join Video Appointments* the *Check Audio and Video* screen will be displayed. Your web browser may at this point ask if you wish to allow access to your camera/microphone, in which case please click yes.

On this screen, under the video box, you can see the following options, allowing you to turn on/off your Microphone and Camera, as well as the ability to change the settings for those devices:

When you are ready for your appointment, click the blue button:

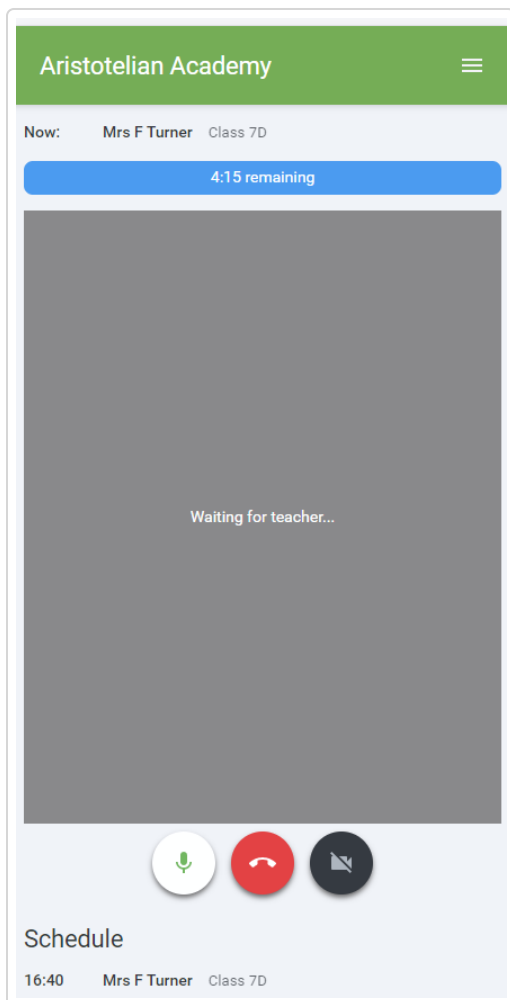

- At the top left the teacher name (and subject details) for the current and next appointment
- At the top right a countdown to the start of the appointment.
- At the bottom the controls for the microphone and camera (once a teacher is available or you are in a call these also show a pick up and hang up button).
- In the middle, when your appointment is due to start, the *Start Appointment* button.

### 3. Making a call

Click the *Start Appointment* button. You will see yourself in the bottom right corner of the screen (unless you have no camera, or have chosen to turn it off). If the teacher has not yet joined you will see a notice to that effect in the centre of the screen.

When a teacher joins a call you will see them in the main part of the screen - or hear them, if they have no camera (or have turned it off) - and can start your discussion with them.

You will also see the remaining time for the appointment counting down in the blue bar at the top of the screen.

If you lose access to the system for some reason during the call, log in again and click *Start Appointment* on the video call screen. As long as the teacher is still in the call this will let you continue with the appointment (this is the same for the teacher if they lose their access).

When the countdown in the blue bar stops the appointment time is over and the call will automatically end.

**Note** that if you or the teacher are late, or leave and rejoin the call, it does **not** reset the timer. The appointment will always end at the scheduled time.

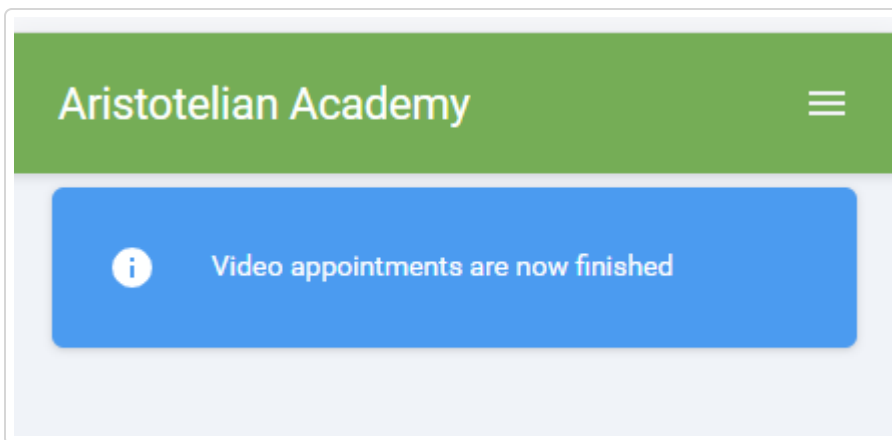

#### 4. Follow on calls

If you have a consecutive appointment scheduled the screen will display a *Start Next Appointment* button. When you are ready to proceed, click on it

**Note** that if you delay starting a call it does **not** extend the duration for that appointment. The appointment will always end at the scheduled times.

If you do not have a consecutive appointment, but you have not completed your final scheduled appointment you will see a countdown telling you how long until the start of your next appointment.

Once your final appointment for the conference is complete you will see a message advising you of this.

Did this answer your question? 😊 ☹️
